

Move in checklist.

- Write all your tasks in a calendar
- Pick the right moving day
- Research moving companies
- Do a declutter
- Source moving boxes and other tools
- Organise your home & contents insurance
- Schedule a time to connect your gas & electricity
- Set up your NBN / Opticom connections
- Update your details with important organisations
- Redirect your mail
- Contact your local council to organise the relevant bins
- Select your letterbox
- Take photos of 'jigsaw' items
- Pack items ahead of time
- Ensure that you pack your boxes properly
- Pack an overnight bag
- Create a collection of cleaning products
- Ensure important items travel with you
- Keep an eye out for any seasonal changes
- Make your bed as soon as possible
