Botanical is a masterplanned community in the heart of Melbourne's north. A community where mother nature and modern life exist in perfect harmony to create a place that's full of life.

Eventually the community will be home to 2,400 families who will enjoy over 30 hectares of planned open spaces, including a 22-hectare botanical-themed park and a planned sporting oval.

A proposed local shopping village and convenience store are also planned, meaning you'll be just a few minutes' walk from fresh produce and your new favourite café.

With an abundance of established schools and shops also just a short drive away, and it's clear why Botanical is the perfect place to call home.

Evergreen is more than a place to live. It's a neighbourhood that's deeply connected to nature – in Melbourne's thriving south east.

# Your new community.

Discover a charming haven for your townhome, nestled amidst 30 hectares of thoughtfully planned open space, providing your family with ample room to play, relax and grow. The heart of the community lies in the delightful 22 hectare Botanical Park, where you can explore wetlands, enjoy a playground with your loved ones, and be captivated by the breathtaking botanical garden.

At Botanical you'll have access to a host of planned amenities, including a local shopping village, a sporting oval, and four brand new primary schools, ensuring there's something for the whole family to enjoy.

Beyond the borders of Botanical, you'll find yourself conveniently close to thriving suburbs, with easy access to essential amenities, local shops, public transport options, sports and recreation facilities, and a variety of dining experiences to satisfy your palate. # Colour schemes.

Select from three premium internal colour schemes that have been professionally curated from our standard range of finishes by Interior Designers.

Echoing natural materials and textures, the Organic Scheme celebrates simplicity and understated beauty. The subtle white colour palette with natural wood elements invites pops of colour for an interior that is all about you.

## Coastal (Medium)

Feel the tranquillity of a seaside haven with this beach-inspired palette of soft grey, sandy yellow, bleached white and dusty blues. Style with carefree fabrics and furnishings for a truly relaxed lifestyle.

## Minimal (Dark)
