Oslo 29

Classic Country Style with Timeless Details

The Oslo 29 at Bluestone estate in Tarneit offers a distinctive country style, including a darker-toned gabled country roof and warm-toned cladding, offset by black framed windows and front door. Inspired by the Southampton façade, the home's welcoming country interior creates a naturally cohesive connection. The display home's palette is monochromatic, with an off-white warm tone created throughout its interiors, with accent colours of warm chocolate and pops of black in hardware, taps, hinges and handles.

On display in Bluestone estate, 8 Perlino Boulevard, Tarneit.
